MDO is an industrial paper saturated with phenolic resin solids and overlaid on exterior-grade fir / hemlock plywood panels.

Basic benefits include:

- Excellent paintability and long lasting painted surface.
- High quality plywood substrate providing superior machineability and screw holding.
- Waterproof bond = water & humidity resistant
- No added urea formaldehyde, meets CARB

**Guardian<sup>®</sup> MDO**

Economical, paint grade, medium density overlaid plywood provides a good surface for finishing.
