*Particleboard is smooth, grainless and exceptionally consistent, particleboard is a cost-efficient wood panel substitute for a variety of applications including home and office furniture, shelving and kitchen cabinets, as well as commercial and institutional fixtures.*

*Particleboard is also a superior laminating substrate. Engineered to eliminate large particle show-through and sanded smooth to eliminate chatter, pits, streaks and ridges, it is the perfect surface for even the thinnest overlays.*

**Countertop TemStock-S:®**

3/4	30 x 97				
3/4	30 x 121				
3/4	30 x 145				

*TemStock-S® is ideal for home and office furniture, fixtures and cabinets where durability, component stiffness and fastener holding strength are primary considerations. Manufactured for maximum strength, this product also provides exceptional surface smoothness for even the thinnest laminates.*

*UltraPine® Plus product offers premium mechanical properties and is engineered for demanding applications.*

**TemStock-S® and UltraPine® Industrial:**

1/2	49 x 97				
5/8	49 x 97				
11/16	49 x 97				
3/4	49 x 97				
3/4	49 x 121				
3/4	49 x 145				
1"	49 x 97				

*VESTA is a specialty particleboard manufactured using a no added urea-formaldehyde resin system. This makes it the optimal choice for additional LEED points, and other no added urea-formaldehyde resin specified projects.*

*SkyBlend FSC Particleboard offers greater design flexibility because it can be substituted in any industrial or residential particleboard application that requires a tighter emission standard.*

**NAUF (no added urea formaldehyde) FSC Particleboard:**

1/2	49 x 97				
11/16	49 x 97				
3/4	49 x 97				

*Our shelving is manufactured with either Temple-Inland MDF or*

*particleboard and is produced raw, ideal for painting or laminating. Square or bull nosed, it is cost efficient, easy to install and durable.*

**Particleboard Shelving:**

**MDF shelving:**

3/4	12" x 12'			3/4	12" x 16'
3/4	16" x 12'			3/4	16" x 16'
